

ScanMaker 3600

**Scan, Copy and
Email With Point
and Click Ease!**

Fast Color Scanning For The Home

The all-purpose ScanMaker® 3600™ brings advanced scanning features to your PC, iMac, or Power Mac G3/G4. With 1200 x 600 dpi optical resolution, the ScanMaker 3600 delivers sharp, clear images for the family or home office. Microtek's Dual Optimization Technology™ brings you 42-bit color quality without the work. See the difference. Colors are vibrant, pure and natural. The smallest details come alive in the

highlights and shadows.

With its USB connection,

set up is hassle-free. Click

on the virtual buttons for quick,

fun and easy scanning. Using ScanWizard 5, you

can scan, copy and email with point and click ease.

Get creative! Be productive!

Microtek's ScanMaker 3600 gives you award-winning software to create unique greeting cards, invitations, crafts, fliers, calendars, photo recipe cards and all kinds of projects for home, school or office. Included are **Adobe PhotoDeluxe** for project creation and photo editing. Also included is **Ulead PhotoImpact** for enhanced photo editing features on your PC. Share

photos with friends and family

through email, too. You can

even save time by scanning text

documents that need minor editing.

Just use the **Optical Character Recognition (OCR**

Software) software that comes with the ScanMaker

3600 and make only the changes you want instead of

re-typing the whole page. With the ScanMaker 3600

you get everything you need to start scanning in

one affordable package.
